

New Offering - Co-Skilled Badging

*Please note: This document contains accurate information as of December 13th, 2018.

Opportunity for IT professionals to earn co-skilled badges that recognize their broader solutions-oriented skills and experience.

IT professionals who are already certified or plan to be certified in VMware as well as Dell EMC's new certifications can earn co-skilled badges for the following combinations:

Dell EMC Credential		VMware Credential		Co-Skilled Badge
Associate - Converged Systems and Hybrid Cloud Version 1.0 (DECA)	and	VMware Certified Associate - Digital Business Transformation (VCP-DBT)	=	Dell EMC and VMware Co-Skilled Associate, Converged Infrastructure and Hybrid Cloud 
Dell EMC Expert - Systems Administrator, Multi Cloud (DECE-SA)	and	VMware Certified Professional 7 - Cloud Management and Automation (VCP7-CMA)	=	Dell EMC and VMware Co-Skilled Expert - Systems Administrator, Multi Cloud and VCP7-CMA 
Dell EMC Master - Enterprise Architect (DECM-EA)	and	VMware Certified Design Expert (VCDX)	=	Dell EMC and VMware Co-Skilled Master - Enterprise Architect and VCDX 

To earn a Co-Skilled credential, we will need to verify that you have obtained both the Dell EMC and VMware credentials. You will do this in your Dell EMC Proven Professional CertTracker account.

Once your 3rd Party Certification has been verified, and you have earned the corresponding Dell EMC credential, you will earn the Co-Skilled credential. An e-mail from Acclaim will be sent to you with instructions on how to Accept your badge (and set up your account if you haven't done so already).
